

REFERENCE LIST

SEA-WATER REVERSE OSMOSIS INSTALLATIONS

Designed and built by engineers and technicians of CWSE

Water treatment plant designed and delivered

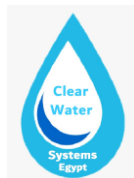

To Egypt and neighboring countries (examples):

17.000 m ³ /day	SOUTH SINAI WATER Company , Sharm El Sheikh, Sea-water desalination for potable water, 11 x 1000 m ³ /d 4 x 1500 m ³ /d Contract from owner, Turnkey without civil engineering, scope of supply: Engineering and design, Ro units, high pressure pumps, All pumps and piping, wells incl. well equipment Intermediate tanks, pre filtration (multimedia), chemical dosing stations Operation & maintenance contract for several years	Egypt
7.500 m ³ /day	NAAMA GOLF Company , Sharm El Sheikh, Sea-water desalination for potable water, 2 x 3500 m ³ /d 1 x 1500 m ³ /d Contract from owner, Turnkey without civil engineering, scope of supply: Engineering and design, Ro units, high pressure pumps, All pumps and piping, wells incl. well equipment Intermediate tanks, pre filtration (multimedia), chemical dosing stations Operation & maintenance contract for several years	Egypt
1.500 m ³ /day	Water Base Marsa Alam , Marsa Alam, Sea-water desalination for potable water, 1 x 1500 m ³ /d Contract from owner, Turnkey without civil engineering, scope of supply: Engineering and design, Ro units, high pressure pumps, All pumps and piping, wells incl. well equipment Intermediate tanks, pre filtration (multimedia), chemical dosing stations Operation & maintenance contract for several years	Egypt

And Some Other Projects

50 m ³ /day	HILTON FAYROUZ , Sharm El Sheikh, Misr Touristic Village, Cairo (Owner) Sea-water desalination for potable water, start up 1989	Egypt
100 m ³ /day	GOLDEN DROP , Shagara Village, Marsa Allam Containerized sea-water desalination for potable water, startup August 1998	Egypt
150 m ³ /day	EL SALAM , Touristic Village, Nuweiba Sea-water desalination for potable water, startup Summer 1999	Egypt
200 m ³ /day	MÖVENPICK HOTEL , Sharm El Sheikh, VICTORIA HOTEL, Sharm El Sheikh, Sea-water desalination for potable water, start up 1990	Egypt
200 m ³ /day	MÖVENPICK HOTEL , Sharm El Sheikh, VICTORIA HOTEL, Sharm El Sheikh, (Owner) Sea-water desalination for potable water, Start up 1992	Egypt
200 m ³ /day	DOLPHINO HOTEL , Sharm El Sheikh, Sea-water desalination for potable water, startup July 1994	Egypt
200 m ³ /day	TROPICANA HOTEL , Nuweiba, Sea-water desalination for potable water, Start up 1998	Egypt
240 m ³ /day	NOVOTEL , DAHAB, SINAI HOTEL & DIVING CLUBS, Cairo, Sea-water desalination for potable water, start up 1992	Egypt
220 m ³ /day	FLAMINCO , El Qusier, Sea-water desalination for potable water,	Egypt

240 m ³ /day	NOVOTEL , Sharm El Sheikh, SINAI HOTELS & DIVING CLUBS, Cairo, Sea-water desalination for potable water, start up 1992	Egypt
300 m ³ /day	HILTON NUWEIBA , Misr Touristic Village, Cairo (Owner), Sea-water desalination for potable water, startup February 1994 <i>Tender, Turnkey without civil engineering, scope of supply: Engineering and design, Ro unit, all pumps and piping, Chemical dosing station, prefiltration (multimedia), wells incl. well equipment Operation & maintenance contract for several years</i>	Egypt
300 m ³ /day	HILTON FAYROUZ , Sharm El Sheikh, Misr Touristic Village, Cairo (Owner), Sea-water desalination for potable water, Start up 1993 <i>Tender, Turnkey without civil engineering, scope of supply: Engineering and design, Ro unit, all pumps and piping, Chemical dosing station, pre filtration (multimedia), wells incl. well equipment Operation & maintenance contract for several years</i>	Egypt
300 m ³ /day	HILTON DAHAB , Sharm El Sheikh, Misr Touristic Village, Cairo (Owner), Sea-water desalination for potable water start up 1998 <i>Tender, Turn key without civil engineering, scope of supply: Engineering and design, Ro unit, all pumps and piping, chemical dosing station, prefiltration (multimedia), wells incl. well equipment operation & maintenance contract for several years</i>	Egypt
300 m ³ /day	SERENA BEACH HOTEL , El Quseir, MÖVENPICK HOTEL, Quseir (Owner), Sea-water desalination for potable water, startup November 1994	Egypt
300 m ³ /day	GOLDEN DROP , Marsa Allan Sea-water desalination for potable water, startup Summer 1999	Egypt
400 m ³ /day	SONESTA HOTEL , Sharm El Sheikh, MASTER OF TOURISM, Cairo (Owner), Sea-water desalination for potable water, start up 1994	Egypt
